

WORKING FOR A BETTER WINFIELD TOWNSHIP!

WHEN ELECTED WE PROMISE TO:

- Increase transparency and accountability to the people of Winfield Township.
- Work closely with other units of local government such as, the DuPage County Board, the City of Warrenville, the City of West Chicago, the Village of Winfield, and others to provide services efficiently and effectively.
- Take the lead in consolidating services to reduce township taxes.
- Follow CDC COVID guidelines to assure safety at our meetings and any other interaction with our community.

Endorsed by state, county, and local government leaders throughout Winfield Township. See www.winfield.dupagedemocrats.org

Current Winfield Township:

- One party rule of Winfield Township is not a recipe for good government.
- The all Republican Winfield Township board has used taxpayer money to attempt to keep Democrats off the ballot.
- Winfield Township returned approximately \$200,000.00 of Covid Cares Act funds that was allocated for Winfield Township residents, children, and small businesses.
- Winfield Township pays elected officials TWICE what it pays its hard-working full-time employees.

A township is a unit of local government in a geographic and political subdivision of a county. It is responsible for general assistance for the indigent, the assessment of real property for the basis of local taxation, and maintenance of all roads and bridges outside federal, state, and other local jurisdiction. DuPage County has 9, with Winfield Township comprising most of West Chicago, Winfield, and Warrenville.

It's time to elect Democrats to our Winfield Township Board!

ON APRIL 6, 2021

Winfield Township needs fresh voices, fresh ideas, and a renewed commitment to its people. Building our democracy starts with a local government that is transparent, understands the need to collaborate, and works in service to improve the lives of those in the community.

VOTE!

Maury Goodman for Winfield Township Supervisor

- 42 year resident of Winfield Township. Five terms as a Warrenville Alderman serving as Finance Committee Chair.
- Emeritus Scientist at Argonne National Lab and Captain, U.S. Army, retired.
- Will work with other units of local government to maximize services for township residents in a cost-effective way.
- Will work with state legislators to find effective ways to streamline township government for the benefit of all taxpayers.
- We've had one-party rule in Winfield Township for generations. Local issues should not be partisan. I look forward to working with a township board consisting of Democratic and Republican Trustees for the benefit of all of our almost 50,000 residents.

Judith Lukas for Winfield Township Trustee

- Union member of the National Nurses United 2016-present and APWU 1978-2005
- Multiple trips to Springfield IL and Washington D.C. to speak with legislators about health care and environmental issues.
- A function of township government is to provide assistance to those in need. While working as an RN in home health I got to know people in our community and see the strengths and weaknesses of the services they receive. I know we can do better.
- I will work with our local businesses, community members, and local officials to create "Second Saturday", a series of events and community programs that will bring attention to our local businesses and provide a sense of community.

Shawn Hacker for Winfield Township Trustee

- As a member and Sr Foreman floor installer in the Carpenters Union for 27 years, I've acquired strong leadership skills, mentoring capabilities, and excellent communication skills.
- Active with the Cub Scouts, Treasurer with GABOC dog club, and helped establish my neighborhood park.
- Supports an Ordinance Establishing Responsible Bidder Requirements on Construction Projects to assure efficient use of taxpayer dollars and to promote public safety.
- Will work to streamline services to benefit the community, our infrastructure, and the environment.
- I believe we can find common sense solutions while working together.
